who we are

Dataline International Limited is a consulting firm that specialises in training, environmental, and management services. It was established in 1994 and renamed to its current name in 2005. The company leverages the interdependence between training, environmental, and management consultancy to provide the best possible service to its clients.

what we offer

TRAINING

DIL has more than 20 years of experience in providing training services. We are certified trainers by both the National Industrial Training Authority (NITA) and the Directorate of Occupational Safety and Health Services (DOSHS). We have trained and consulted for a growing number of organizations in both the private and public sectors in diverse areas. The training areas include:

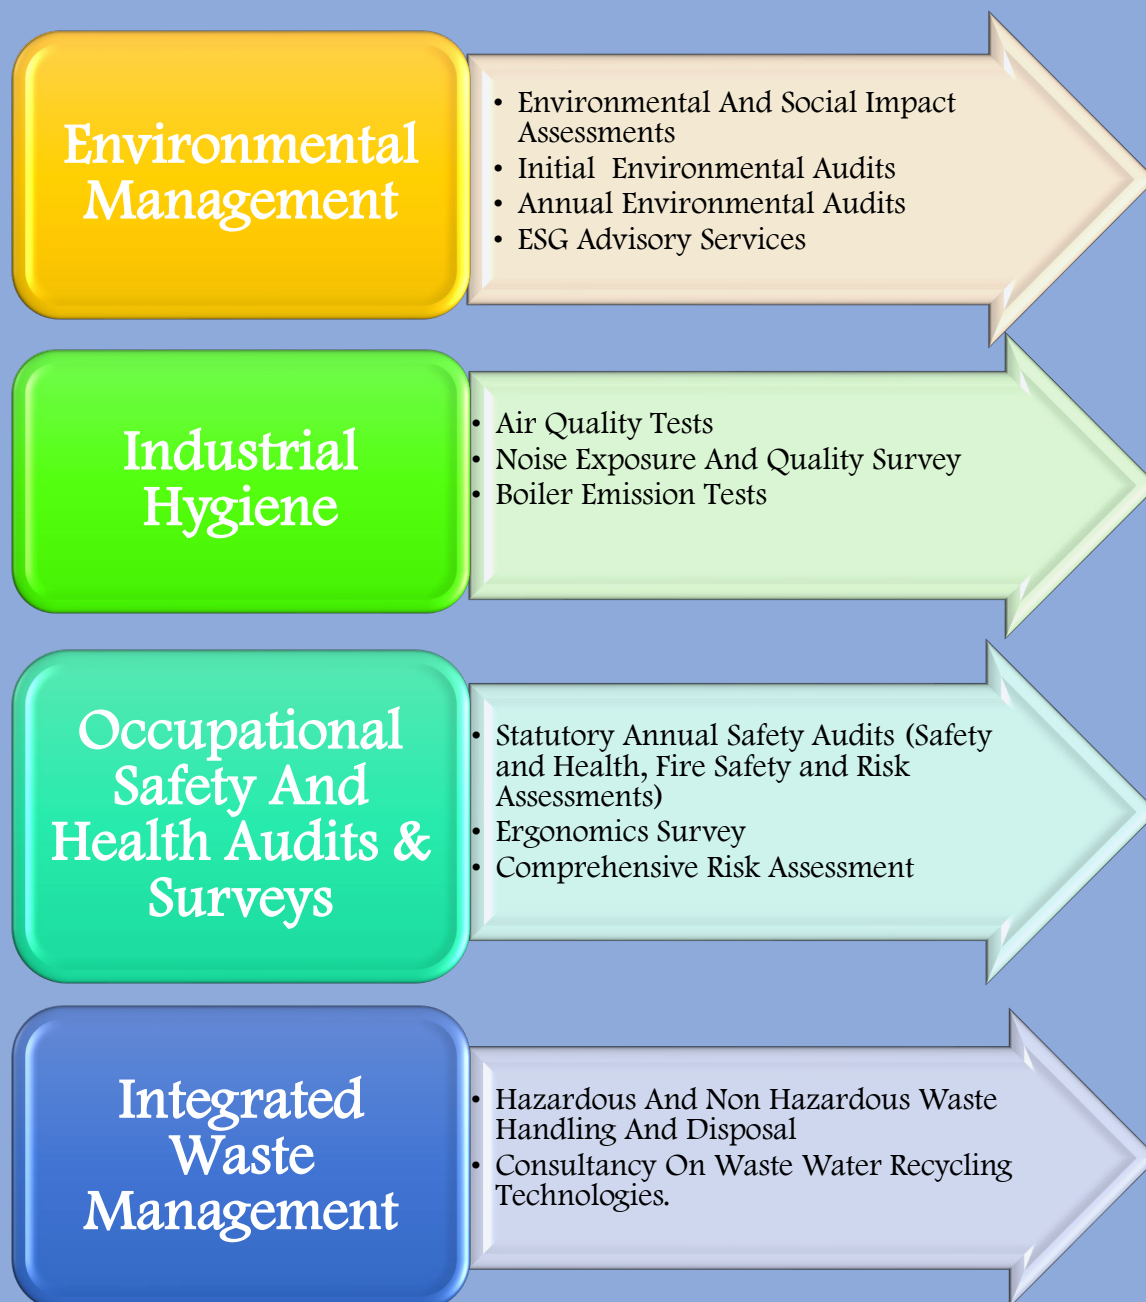

We also tailor-make courses depending on organizational needs.

ENVIRONMENT, SAFETY AND HEALTH

DIL has more than 10 years of experience in OSH Audits and Environment Management Consultancy Services. We are officially registered with the National Environment Management Authority (NEMA) and Environment Institute of Kenya (EIK) as a Firm of Experts. Additionally, we are registered with DOSHS as Safety and Health trainers, Advisors, and Auditors.

Our scope of work is in the following areas:

Management Consultancy

Dataline International Limited has more than 15 years of experience in management consultancy. We have consulted for an increasing number of organizations in both private and public sectors, covering the following areas:

Consultancy

- Accident and Incident Investigations
- Guidance on Policy Implementation
- Workplace Registration

Policy Development

- Safety and Health
- Fire Safety
- Emergency Preparedness and Response
- Security & Surveillance
- Operational Procedures & Manuals

PART OF OUR CLIENTS

KENYA PIPELINE COMPANY LTD.

THE NAIROBI HOSPITAL

THE TEAM

We are a fully-fledged company with a core team of management staff and a rich database of associates. The associates are drawn from among those, particularly with hands-on industry experience in specific fields and sectors and relevant academic qualifications. This way, the company is able to respond effectively to the client's needs and expectations.

REGISTRATION & RECOGNITION

Dataline is registered and recognized as a training institution by the:

1. National Industrial Training Authority (NITA)
2. Directorate of Occupational Safety and Health Services (DOSHS)
3. The National Environment Management Authority (NEMA) as a Firm of Experts
4. Chairs the Kenya Bureau of Standards (KEBS) Technical Committee on Fire Safety
5. Is a member of the KEBS Technical Committees on Fire Safety, Ergonomics and Anthropometry and Environment Management Systems.
